Welcome

We would like to welcome Tia Thepkhamdee, Dominic Henderson, Aria Turu-Kemp, Cole Douglas and Holly Gibbins to our afternoon sessions. We are sure that they will enjoy their time here with us.

Wheels Day' Fridays

Children are welcome to bring along to kindergarten their bikes or scooters (and helmets) etc any Friday morning for 'Wheels Day.' We will make some time during the morning session for them to have a ride around.

Wednesday Workshops

'Birthday Parties Made Simple,' is the first workshop being held at Kindergarten on Wednesday 13th May. A crèche will be available so parents can attend. 1.30-3.00pm. See our outside notice board for more information.

Programme News

*Foundation skills focus is on locomotion-running dodging and other fun ways of moving from A to B.

*We are also focusing on supporting children to express their feelings in acceptable ways.

*Children are enjoying retelling and acting out stories using props which is developing their listening and expressive language skills.

*Focus is also on supporting our new children to gain a sense of belonging here.

Welcome Afternoon Tea

Thank you to everyone that came along to meet other parents at our 'Welcome' afternoon tea. We would love to have some more social events here at kindergarten and would love to hear your suggestions for what we could plan.

Gabrielle Update

Gabrielle is scheduled to have her bone marrow transplant in June and will be travelling up to Starship Hospital in Auckland for this. In the meantime she needs to keep as healthy as possible and avoid any bugs going around. Can you please be vigilant with your own children and keep them at home if they are unwell with coughs, colds, virus's etc. Please also note that cold sores are very dangerous for her. If you have any questions or are unsure if your child should stay at home, please don't hesitate to give us a call on 5477441
