

Stoke Kindergarten

Kia ora, Konichiwa, Malo e lelei, Tolofa, Kumusta and Hello to everyone,

June 2014

Welcome

We would like to welcome Cody Neate, Lachlann Dunlop, Liam Llewelin, Parker Bloomfield and Riley Kelling to our afternoon sessions. We are sure that you will enjoy their time here with us.

Farewell

Sadly we will soon be saying farewell to Ruby Fox as she will soon be turning 5 and will begin her journey through school. Thank you to her family for all the help and support they have given during their children's time at Kindergarten.

Enviroschools Project

One of our projects for enviroschools is to enhance our entrance way to make it more welcoming. We are consulting with the community, that's you, our parents and families, and we would greatly value your input. If you have any ideas, please write them on the whiteboard by the children's pockets or talk to one of the teachers about it. Thanks to all the people who have already shared their ideas with us.

Thank you's

We have so many people to thank for helping us make this years Matariki celebration the best ever! Firstly, thanks to all the children for their hard work practicing for the Matariki story. What stars! Thanks to Megan Stephens for making the delicious soup and to Mel Llewelin, Rochelle Cross & Tania Armstrong for their help in preparation and cleaning up. Thanks also to Milly & Ben Cooper for the kind donation of bread rolls to have with our soup and a huge thanks to Leo & Toshi for the spectacular entertainment.

End of Term Notices

We are having a clean up week next week from Monday 30th—Thursday 3rd July. If you are able to help do a few jobs, even half an hour of your time, it would be very much appreciated as this is an opportunity to ensure our equipment gets a really good clean to prevent the bugs spreading into next term.

If you have any clothes at home belonging to the kindergarten can you please return them so we have a supply to use for toileting accidents etc.

Zero Waste Lunchboxes

Thank you to all our morning parents for the wonderful efforts that they have made in providing their children with zero waste lunchboxes.

Fence Post

We have raised \$50.30 towards a fence post at the Brook Waimarama Sanctuary, so now the FLG are going to contribute the remaining \$49.70. When the fence is completed, we will be able to go on a fence post hunt to find 'ours'. Many thanks to all the families that contributed!

Nelson Tile & Slate Centre

A big thank you to the Nelson Tile & Slate Centre on Rutherford Street, who have kindly donated the tiles and glue for us to begin a mosaic project. They also offered lots of helpful advice!
