Please add your name so we know who it is

Farewell

Sadly we will soon be saying farewell to Temania Phillips, Leith Lamond, Caleb Wilson and Anouk McCorkindale who will be starting their journey through school. We wish them all the best.

Programme

•Children's ball skills and confidence in their physical skills have increased due to our Thursday team games, a Funky Gym session with Jenny Dravizki and Bex from Victory Kindergarten, and encouragement to participate in the experiences we have set up every day for them to practice these skills.

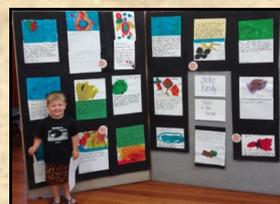

•Children are taking an interest in knowing where they, and other children and their families come from through discussion, identifying places on the map, looking at the flags and linking them to places where their grandparents are or where they, or their parents, were born. It's was very special to have Razel Parsons come in and do her Filipino dance and share some special Filipino food.

•We are focusing on encouraging children's kindness to each other, cooperative play and appropriate language. Children learn through trial and error. When they make mistakes that impinge on other children's rights and well being we have consistent strategies and consequences in place to help them with this process of making amends.

•Creativity, imaginative and sensory play has been enjoyed by many children with a range of fun experiences.

Fill out Form

Term Break

We will be remaining open for the term break. To assist us for staffing purposes, can you please complete the form on the art bench.

End of Term Clean

As part of our hygiene and maintenance programme, we need to thoroughly clean all of our equipment and resources to keep your children safe and to minimise the spread of germs.

We would appreciate it if you could spare an hour of your time on April 9th, 11th or 12th to give us a hand. If you are able to take a bag of washing home close to the end of term that would be hugely appreciated.

Kapa Haka

Madsen Elkington will be returning in terms 2 & 3 for fortnightly kapa haka sessions from 7th May, 9.00am—10.00am

Up coming Events
