- Leading through servant-leadership, teaming, and systems thinking to deliver sustainable approaches and opportunities
- Providing contemporary strategic and operational leadership and related legal compliance services
- Delivering national and local advocacy excellence to influence policy, strategy and outcomes

Our Ways of Working

Our work is underpinned by six core principles inspired by the Good Governance Code - Waehere Whakahaere Tika.

<p>Principle One Rangatiratanga and Impactful, Purposeful Leadership</p> <p>Effective leaders and governors are clear about the purpose of their organisation, and their leadership is focused on ensuring the organisation delivers maximum impact. They provide strong foundations for their organisation and the communities it serves.</p>	<p>Principle Two Whanaungatanga/Whakawhanaungatanga and Connected Leadership</p> <p>Effective leaders and governors understand the importance of relationships and connections. They unite to fulfil the purpose of their organisation, building strong relationships with each other and those they serve.</p>	<p>Principle Three Tuakitanga and Diverse and Inclusive Leadership</p> <p>Effective leadership teams and governance boards are as diverse as the communities they serve. They draw on the experiences of all team members and seek to enhance the integrity and leadership of all individuals. They understand the importance of people and identity.</p>
<p>Principle Four Manaakitanga and Integrity and Accountability</p> <p>Effective leaders and governors understand their accountability to each other and their accountability to those who support and fund their kaupapa and those they serve. They seek and gain trust by always working with care, integrity, reciprocity, and respect.</p>	<p>Principle Five Kaitiakitanga and Transparent and Open Leadership</p> <p>Effective leaders and governors are trusted by the communities they serve, their staff and volunteers, and their funders. They seek to ensure their kaupapa is sustainable over time. They seek genuine feedback and are willing to adapt and learn to best serve their communities.</p>	<p>Principle Six Pono and Effective Governance and Leadership Processes</p> <p>Effective leaders and governors do things right. They have good internal processes and policies in place so that they operate legally, ethically, and effectively. Having streamlined processes means leaders and governors can focus on operations, strategy, and impact.</p>
