

SELO PĀNUI #1

In this issue:

- Where to from here?
- Accessing Information
- Dates for your diary.

Cultural Diversity—Our role in celebrating this for all mokopuna.

Save these dates:

The next session **9th March 5:15 pm** will be a cluster zoom session connecting with teams or the team lead for this mahi to answer any questions and clarify your focus for this mahi.

8th April is the Bicultural Zoom hui presented by Hayley and this can be watched individually or as as a team.

Can teams please indicate if 6 or 7 pm is better for teams to participate.

Zoom-

Closer to the time you will be sent link to connect to for the above meetings.

Where to from here?

Firstly thank you all for the energy, attention and engagement in the last hui. We are very much looking forward to now engaging with individual teams and discussing this mahi further.

Please feel free to contact anyone of us around the mahi and we will in touch very soon to arrange meeting times.

Hayley Pemberton 0226574137

hayley.pemberton@ntk.org.nz

Questions for further discussion:

Looking at the mahi ahead:

1. Decide who will be your lead kaiako on this mahi.
2. Revisit the slide from the workshop and document the key learnings and key questions from this session.
3. Decide of an area of practice you would like to strengthen that will be the focus of your mahi.

Accessing Information

Website: www.nelsontasmankindergartens.com
Click on the tab SELO.

Here you will find readings, pānui, PowerPoint presentations etc. If your team finds an article or piece of research, resources etc., please send a link to us and we can post it on the website for all to share.

Some online interesting things to watch.
